CRC's and 2016 Renewals

To ensure that we are meeting our statutory requirements, all educators need to have a Criminal Record Check (CRC) report date in their record. In the past this information was not collected if the educator stated they had completed a CRC with their SU/District. Any educator that does not have a CRC record date on file will need to either: complete a new fingerprint supported CRC, or have the district provide the Agency with a copy of the CRC report. If the district no longer has a copy of a previous report, a new CRC will be required. CRC applications will be included within renewal applications if an educator needs a CRC report date.
